## FROM THE DESK OF FATHER BLANEY...

### My Teddy Bear

I received my Teddy Bear when I was a very young person. I think my godparents gave it to me, Ted & Anna. It was, of course, light brown with black glass eyes. It stood about 3 feet tall or so it seemed when I was only 2 feet tall meself. It was a constant companion, always present and accepting. My Teddy Bear did not have any hidden agenda. And, even if I was a bit rough or forgetful, he was always accepting and seemingly loving. My Teddy Bear lasted quite a long time. Lost its eyes and most of its stuffing – had been sewed up several times by mom. And then one very sad day it just disappeared. Well, I substituted other things for my Teddy Bear. My bike - a Silver King – but those things always broke. I substituted friends. That was good. They were accepting. But sometimes they had a hidden agenda. When I entered the seminary to study for the priesthood, my idea of God was one who could grant anything and was a punisher. My relationship to God was likened to a phone booth. Oh, I would pray real hard just before an exam and promise to be good. And then, after the troubles, go on with life outside the phone booth. But after a time I saw that God helped me through those exams even when I wasn't a good boy. And I began to realize that God the Father was very loving and accepting of me – a constant companion. There was no hidden agenda. God's agenda is simply that I become the person He created me to be. What person did He create me to be? A great athlete or someone who struggles to break 100 in golf? A great diplomat or a bumbling bungler? (At one time I had a nickname – the Boot – because I was putting my foot in my mouth so much an ordinary shoe would not have survived). My other abled friends have shown me that I am a person who respects them and gives them attention and we have fun together. Oh, sometimes there have been a kick in me back end when I was a bad boy. But my real Teddy Bear was back! God the Father, He is comforting and accepting, a great friend.

I hope that you help the children of these days to understand that their Teddy Bear is temporarily taking the place of God the Father. That the enjoyment of their Teddy Bear is a little bit like the great enjoyment of God the Father on earth and especially in heaven.

# THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

One of our Villagers recently celebrated her first year of residency at Sharing Meadows and she was proud of that milestone in her life. We were talking about the changes she experienced in the last year and her eyes lit up with excitement and her voice became more and more animated as she recollected her first year as a Villager. She told me that it seems like Sharing Meadows has always been her home and she was delighted to be living here.

Home. It's good to hear the Villagers use that word when they're talking about Sharing Meadows. They are happy because they know they belong here. They are valued, appreciated and loved. They are safe. They are encouraged to take responsibility for themselves while knowing there is always someone near to provide supervision and assistance. They take pride in their home and enjoy hosting visitors.

I know an other abled young man who lives in his own apartment and works in the community at a retail store. To some observers, his life is pretty normal yet I know he spends most of his away from work by himself and he is often lonely. I see him eating by himself in fast food restaurants and browsing through stores alone and I know that, like most of us, he would enjoy some company during his leisure time.

The Villagers of Sharing Meadows experience the joy of friendship on a daily basis. They go to local sporting events, fish in the pond, hike the grounds, swim at the high school pool once a week, see movies, go out to eat, and go to parties together. Many afternoons after work, you can see some Villagers outside tossing a Frisbee or shooting baskets. During the summer, their shouts of joy could be heard as they swam in the pool every day after work. They always have a friend to talk to and share their activities with and that helps to make their home happy.

Presently, calling Sharing Meadows home is a privilege enjoyed by 12 Villagers and they are truly blessed to be part of this community. Our Villager waiting list is long and we receive calls on a regular basis from families inquiring about the availability of housing for their loved one. In answer to that need, we must look to expanding the community by building additional homes. As we begin a new year, we will focus on plans for the next village. We will check into various options for construction and, of course, funding to pay for it with a goal of having the new homes ready for occupancy in late spring or 2004. Your support is needed more than ever as we continue to provide the security of homes, companionship and growth to other abled individuals.

## CALLING ALL CAMPERS

Due to the unpredictable weather, we will not have a mini camp weekend or a dance in January. The next mini camp will take place February 7, 8 & 9, 2003. You are welcome to join us for a fun-filled weekend of camp activities, including games, crafts, singing, dancing, socializing and a discussion session centered around a meaningful theme. Campers are accepted on a first come, first served basis, so please call Maria at 219-778-2585 if you would like to attend the next mini camp. If you are unable to join us for the weekend, come to the Valentine Dance on Saturday, February 8 from 6:30 – 9:00 p.m. We hope to see you there!

## MINI CAMP STAFF

We are in the midst of a cold winter season and if you are suffering from cabin fever, we can give you something to look forward to: a fun-filled weekend of camp activities once a month from February through May! We need caring people as part of our staff and what better way to get out of the house and spend a weekend than at our camp with our special campers. Many wonderful things take place at camp but what makes it so great is the people who attend. Sign up today by calling Maria at 219-778-2585. No experience is necessary and training will be provided. Please see the **Calendar of Events** in this newsletter for the upcoming dates and come for one weekend or all four. Brighten up those cold winter days and be a counselor, nurse or cook at camp. We look forward to hearing from you. Hidden Winner: Edward & Theresa Witek, Chesterton, IN.

## FRIENDS CLUB

Next month is the time to renew your membership in the most wonderful club in the world: Father Blaney's **FRIENDS CLUB!** Membership packets will be mailed in mid February so be sure to watch your mailbox. If you are new to the **FRIENDS CLUB**, here is how it works: Membership in the **FRIENDS CLUB** is only \$30.00 for the year. Each month you will automatically be entered in a drawing to win one of two \$75.00 gift certificates to your favorite restaurant and your name listed in that month's newsletter. You also have the chance to be our hidden winner for that month – your name hidden somewhere in the newsletter. If you see your name as the hidden winner, call us before the end of the month and we'll send you \$30.00! So watch your mailbox for the packet and sign up for this very special club!

## MARK YOUR CALENDAR

On Tuesday, March 4<sup>th</sup> the Knights of Columbus Marquette Council #3630 of Griffith will host their 10<sup>th</sup> Annual Fat Tuesday Spaghetti Dinner to benefit Share Foundation. Mark your calendar and plan to attend this delicious dinner of freshly cooked spaghetti covered with a hearty meat sauce, along with toasted garlic bread and tossed salad. Chairperson Jim Fitt is recruiting the best cooks from his fellow knights to help him prepare a feast fit for a king!

Share Foundation is grateful to the Knights from Marquette Council for their dedication over the years in planning and preparing this scrumptious dinner. Please show them your support by taking your family out for a delicious dinner before the start of Lent. More details on the dinner will be in the February newsletter. We look forward to seeing you there!

## YEAR-END RECEIPTS

The Internal Revenue Service requires a receipt for any charitable contribution of \$250 or more in order to take the deduction on your tax return. Canceled checks alone are no longer being accepted.
