FROM THE DESK OF FATHER BLANEY..

We need stewards/home managers for the Sharing Meadows homes. What are the qualifications? The person – male – female – married couples – must be a patient, caring person who is flexible. It is a 24/5 position with two days off per week. It leads to a great deal of affirmation and a sense accomplishment. It is meaningful employment. The steward would be a mentor for two adult persons who are mild to moderately other abled/mentally retarded. During the work day there are activities on the campus commensurate with the abilities of the steward and villagers. There are areas of grass cutting, weaving on a loom, baking pies, janitorial activities, wood working, gardening, ceramics, etc. Weekends are full of socialization. There are 4 weeks off each year with pay – at Thanksgiving, Christmas and Easter. The salary is adequate and there is health insurance with a bonus after finishing each year of service.

This is a service project – serving God and His people. Some times God give hints to us. If you are in your own home and living on \$700 - \$800 social security a month, finding living difficult, maybe

God wants you to sell your home, invest the proceeds and come to live with us. The house is furnished, heated, with board included. Or if you are wanting to start out your life with meaningful employment that will make a difference in this world, come for a year or two. The sense of responsibility and maturity and self awareness will greatly enhance your future life. Or if you are a married couple with an early retirement, traveling has been worn out. Now you can do what you have always wanted to do – give back to this world – help others while being affirmed yourself.

Please call us – 219-778-2585. If you know of someone at work or at church or in your neighborhood who would really want a more meaningful employment, please suggest that they give us a call!

We need help!!!

THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

A new year and new beginnings! Many people make New Year's resolutions and start out the year with good intentions but life gets in the way and it's very difficult to stay on task. Instead of making a list of New Year's resolutions, we have been encouraging the Villagers to make good choices throughout the year. We've been focusing on many different aspects – eating healthy food, exercising regularly, listening to what is being said, staying focused on our work activities, and especially, treating others with kindness. One of our Villagers offers the same petition each morning during our daily prayer service: To treat each other with love, respect and kindness. Wow, that's a profound thought from someone considered by society as "disabled!"

The Villagers are gentle, empathetic people and they have the gift of loving unconditionally, thereby affirming others by their very presence. They have so much to give and they give so freely. They realize that they don't need to make a resolution for the New Year, they just need to continue making good choices and treating others with compassion. They have enriched my life and I look forward to sharing another year with them, following their lead and affirming others.

Happy New Year!

YEAR END GIVING

We were blessed with many generous gifts last year. If you plan to take a deduction on your tax return for your gift to Share Foundation, the IRS requires a receipt for any charitable contribution of \$250 or more. Share Foundation would be happy to provide you with a receipt for your donations given during 2006. Please call Annette at the office at 219-778-2585 and she will prepare one for you and send it.

CAMP SHARING MEADOWS

After a great fall season of mini camp weekends, we are taking a break in January as we prepare for the spring camps beginning in February. As always, our camps will be a values retreat focusing on human values and becoming more aware of God's presence in our lives. Camp is a joyful time of sharing our feelings and emotions while truly listening to each other. What a great way to start the New Year! The dates for spring mini camps are: **February 9-11, March 9-11, April 13-15 and May 18-20.**

Letters are being sent to current and former staff inviting them to participate. A response sheet will be included for you to indicate which months you are available to serve. If you haven't volunteered at Camp Sharing Meadows before, this is a great time to begin! Call Sandy at 219-778-2585 and she will be happy to answer your questions and send you information so you can be part of this special experience.

Dances at mini camp are always popular

Camp brings out the musician in all of us!

Invitations and applications for campers are being sent later this month for the spring season. The camp fee remains at \$80 for the weekend and as always, applications are accepted on a first come, first served basis so don't delay in returning your paperwork back to our office. If you want to receive an application and are not sure if you are on the list, please call Sandy at 219-778-2585 and she will be happy to send you information.

We are looking forward to seeing everyone for the spring camps and dances!

MEMORIALS

Memorials are a special way to honor the memory of a loved one or celebrate a special occasion for ourselves, our family, or our friends. We are grateful for all memorial donations, large and small, that are received but we want to remind you that our policy is that thank you letters and acknowledgement cards are not sent for any memorials received that are less than \$10.00 per name. They will be printed in the **GOOD NEWS** but no cards or letters will be sent. Due to the increasing cost of paper, postage and time to send cards and letters, it is not good stewardship to spend the donations you have entrusted to us to fill mailboxes with mail.

Memorial donations of \$10.00 or more per name will continue to be handled with a thank you letter, acknowledgement to family and listing in the newsletter. If you do not require a thank you letter, please mark the envelope so that we can code your account and we can save the cost of a letter and use the funds for our programs for other abled people. Thank you for your understanding!

MEMORIAL DEADLINE

Just a friendly reminder that all memorials are due by the 15th of each month in order to be printed in the following month's **GOOD NEWS**. For example, if you want to have a memorial printed in the February issue, your memorial needs to arrive in our office by January 15th. Share Foundation has a deadline to meet as well with our printer and if we do not have your memorial by the 15th of each month, your memorial will be delayed an additional month. Thank you for your understanding!
