## FROM THE DESK OF FATHER BLANEY...

Christmas is just past us. If you reflect back on those days, hopefully you will be able to recall an admirable kindness of a couple of people to you or through you to others. The Spirit of Christ has been abroad!! He has again been born in our hearts. What a wonderful experience! If you remember the story of "A Christmas Carol," ole Scrooge changes. It took some doing. But the loving God transformed his heart. And that brings about a great deal of true happiness!

This is a time when it behooves us to reflect on that true happiness. The true meaning of Christmas – Christ born in our hearts! Our hearts and the hearts of many others are filled with love and thoughtfulness of others. It is God's love and it is beautiful!

Please reflect on the Christ who was reborn in people's hearts. This sometimes mixed up world needs to realize that real beauty!

## THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

The other day when the work coordinator announced the job assignments for the day, I noticed that most of the villagers were enthusiastic and excited about their task. Some of them cheered, some did a fist pump in the air and all of them smiled and went to work. It is good to see them happy with what they are doing and facing each challenge with courage and determination. It is even more amazing to watch them at work - building birdhouses, painting ceramics, weaving rugs, harvesting black walnuts and making raspberry jam or apple pies in the kitchen. They listen to instructions and then go about their work, happy and productive.

When Sharing Meadows was still in the planning stage, vocational training was an important issue. We wanted the villagers to have a structured work day and we especially wanted them to be engaged in meaningful, productive work. The first year or two was a struggle but now we have settled into a great routine that begins with our community prayer service each morning before everyone heads to work. The villagers enjoy their work and take pride in their accomplishments and while they do enjoy an occasional day off (don't we all?) they are happy to return to work and get back into their routine.

The vocational training program has been enhanced by the presence of many volunteers who share their time and talent with our villagers, teaching them new skills. Our faithful weavers come each week to teach the villagers the art of weaving and to keep our looms in good operating shape. Our staff and villagers have learned the art of ceramics – pouring molds, cleaning greenware, painting, glazing and operating the kiln. The villagers are quite adept in the kitchen thanks to the volunteers who taught them to make jam, applesauce and baked goods. The list goes on and on – jewelry making, sewing, grounds maintenance etc. Thanks to our volunteers and stewards, the villagers have learned it all and look forward to an active schedule each day.

As we begin a new year, we look forward to many more successes in our work day. The villagers will continue to be enthusiastic as they learn new skills and grow to be the people God created them to be. Happy New Year!

Their first meeting is in mid January to get started on the Spring Luncheon which will take place on Wednesday, March 25. They are a delightful group and always welcome new members. Join them for a great time planning an event that helps to support the community of Sharing Meadows. Call chairperson Emogene Grant at 219-663-5271 and she will fill you in on the details. ## MEMORIALS

Memorials are a special way to honor the memory of a loved one or celebrate a special occasion for ourselves, our family, or our friends. We are grateful for all memorial donations, large and small, that are received but we want to remind you that our policy is that thank you letters and acknowledgement cards are not sent for any memorials received that are less than \$10.00 per name. They will be printed in the GOOD NEWS but no cards or letters will be sent. Due to the increasing cost of paper, postage and time to send cards and letters, it is not good stewardship to spend the donations you have entrusted to us to fill mailboxes with mail.

Memorial donations of \$10.00 or more per name will continue to be handled with a thank you letter, acknowledgement to family and listing in the newsletter. If you do not require a thank you letter, please mark the envelope so that we can code your account and we can save the cost of a letter and use the funds for our programs for other abled people. Thank you for your understanding!
