## FROM THE DESK OF FATHER BLANEY...

I am away from the office at Sharing Meadows. At my age, the cold weather is difficult. Florida called and I couldn't resist. My parents lived in Florida and it added to their life span. Hopefully, it will add to mine also!

Back at Sharing Meadows there is still a lot of activity. The kitchen crew has finished up making applesauce, red raspberry jam, and raspberry syrup. But there are new projects starting like making soup and baking bread for the homes. Some of our villagers are really finding their way around the kitchen.

Then there's the wood shop with its hiking sticks (divining rods during the Leprechaun Hunt!) And there are a variety of wood products such as bird feeders, birdhouses, storage chests etc. Everyone works at the black walnut picking. We use dental picks to extract the nuts. Dr. George Parker DDS gave me the dental picks – a couple of them had been my brothers. And there is the weaving. The villagers weave rugs, placemats and now dish cloths. We have three looms and they keep them all busy.

We have two mini camp weekends (values retreats) during February. Setting up and cleaning before and after is another job of the villagers. They are proud of the St. Timothy Center. And with the mini camps there are two Saturday night dances to enjoy led by Mark Williamson, d.j. extraordinaire!

*Father Blaney*

Sharing Meadows is not all work. On the weekends the fun begins with bowling on Friday night. Saturday afternoon is basketball practice. Sunday varies with movies, eating out etc., of course, that's after church. Winter is not a slowing down time at Sharing Meadows.

Ash Wednesday is coming towards the end of February. I hope that your Lent is full of hope. God does love us.

## SOMETHING TO THINK ABOUT....

*This isn't for everybody, but it might be just what you need*

Are you bored, looking for something different to do once in a while? Do you wish you could find something to challenge your mind and heart but fear that you are done with new adventures?

We have just the thing for you!

We are looking for a few good men and or women to serve as relief stewards at Sharing Meadows. You would move into one of the homes in our community by yourself or with a spouse and supervise two mild to moderately mentally retarded/other abled adults. You would provide companionship, mentoring and friendship. The villagers take care of their personal hygiene needs. They do laundry and clean the house with supervision and help with meal preparation.

You would have a private bedroom with bathroom and receive \$250.00 per week. Your commitment is for a few weeks or a few months, depending on your availability and you would be given two days off each week. You can do this once or many times if you find that you enjoy the loving, peaceful atmosphere of Sharing Meadows.

This isn't for everybody but it may be just what you need and you could find a tremendous sense of satisfaction.

Make a difference in your life by making a difference in the villager's lives!

Call Bob at 219-778-2585 and be a part of our Christian community.

# THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

It's been said that the saddest words in the English language are "Nobody cares." What a heartbreaking commentary on the world to think that there are people with feelings, emotions and needs that aren't being met because nobody cares. Homeless people looking for shelter, a warm meal, a little kindness to give them hope for the future and it's essential that someone cares enough to see to their basic human necessities. So many people are looking for the warmth of friendship – someone to talk with and especially someone who will listen. Children need mentors, someone to look up to and show them the way. It's easy to become cynical and think that's just the way it is and move on with our busy lives but then we become a part of the problem instead of the solution and join the ranks of nobody caring.

Here at Sharing Meadows, somebody always cares. A person barely finishes with a sneeze when the villagers are shouting, "God bless you!" A warm hug is always waiting when someone is sad and a helping hand is there any time it's needed. The villagers are affectionate, appreciative and

loving. They aren't afraid to profess their love and the best part is their love is unconditional. We are loved because of who we are and they don't need any other reason. The villagers care and it shows in their every action. Our stewards are amazing individuals whose unselfish dedication takes them away from their families to share their time and talents in our community. They are friends, teachers and above all, role models for the villagers. They show that they care every day and the villagers are enriched by their presence.

Here at Sharing Meadows, love abounds. February is the month when we celebrate Valentine's Day and the stores are full of cards, flowers, candy, jewelry and anything shaped like a heart as a way of expressing our love. While this marketing strategy may work for some merchants, I think genuine caring is a better way of showing love. I'll take a spontaneous "I love you" or an affectionate hug any day! May you always feel loved and realize that someone cares! Happy St. Valentine's Day!

## CELEBRATE ST. PATRICK'S DAY AT SHARE!!

Father Blaney has promised to be back from Florida in time to host our annual St. Patrick's Day celebration on Sunday, March 15. The celebration will begin at 1:00 p.m. with a Mass followed by Dinner in the St. Timothy Center. Please remember that on this day, EVERYONE is Irish.

Our favorite Irish chef will once again prepare his world famous corned beef and cabbage, boiled potatoes, carrots, fresh baked rye bread and mint chocolate chip ice cream. ## CALLING ALL KNIGHTS

We extend a special invitation to all of our Knights of Columbus to volunteer to be a counselor for either weekend mini-camps or week long summer camp here at Sharing Meadows. These values retreat camps help both the other abled and the staff become more aware of God's presence in their lives. You will never have a more rewarding experience than helping out the other abled. Camp is a joyful time of sharing our feelings and emotions while truly listening to one another. Dates for the winter – spring mini-camps are February 6-8 and 20 – 22; March 27 – 29; April 17 – 19 and May 15 – 17.

Call Sandy at 219-778-2585 and she will be happy to answer any questions you may have and send you information so you can be a part of this extraordinary experience!

# Join the *Friends Club* and light up your life

Membership packets to join Father Blaney's Friends Club will be sent out this month! If you are already a member of Friends Club, please renew and continue to make a difference to your friends here at Sharing Meadows. If you are not a member, please consider joining this special group of people. Your membership fee helps in supporting the residential and camp programs at Sharing Meadows.

You can join the Friends Club by completing your membership card and sending it back to Share Foundation with your \$40 fee. Not only will your donation help to support Share Foundation, you will be entered in our

monthly drawings. Each month three winners are listed in the GOOD NEWS and win a \$100 gift certificate to their favorite restaurant. The name of a hidden winner is also drawn each month and that person wins their \$40 membership fee back by finding their name hidden somewhere in the newsletter and calling the office during that month to claim their prize.

There are so many benefits to joining the Friends Club. We hope that you will join this year and continue to expand our circle of Friends! Hidden winner: Mary Jo Zawierucha, South Bend, IN 46615
