FROM THE DESK OF FATHER BLANEY...

Easter is early this year. And this year, Easter will bring us a new Pope. There is much to hope for from the new Pope. Hopefully the new Pope will clear out the bureaucrats who have hindered the growth of the Church of Christ. There have been several scandals by these bureaucrats in the past few years that have hurt Christ's Church. Growth in many areas is needed. And a healthy dialogue – a reopening of the windows to let in a breath of fresh air. The Holy Spirit is really translated as a breath.

The rest of Lent and this Easter please pray vigorously for the Holy Spirit to truly guide us with a Pope that is open to dialogue. May your Easter good works enjoin many blessings on you and your family!

THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

Now that the original master plan for Sharing Meadows is complete with the opening of the 5th village, we must look to the needs of the future. When the first village was opened in 1994, our villagers were in their twenties and thirties but now they are in their forties and fifties. In less than 10 years, some of them will not be able to mow grass, plant trees or weed the garden. Since our villagers have a healthy lifestyle, we think they will have a normal life span and we realize we must provide a different way of life for our senior villagers when the time comes.

When we were working on the master plan, we were so concerned about villages, roads and camp that a home for aging villagers was the last thing on our mind but now we realize that we must look to the future. A beautiful site has been selected on a bluff overlooking the Coleman Gazebo and Hog Lake. We have worked with an architect and he has drawn preliminary plans for a building that will house 8 villagers initially with room to expand if the need arises. Our senior villagers will be able to lead a quieter everyday life while still being part of the community and enjoying the same socialization and friendships they do now.

This project is still in the early planning stage but we must keep working on it for we realize that the need for it is forthcoming. We will continue to work on the design and raising funds for construction so that when the day comes for our senior villagers to have a new standard of living, we will be ready with a warm, comfortable place they can call home for the rest of their life.

INVITING YOU TO BECOME A FRIEND

“The greatest gift of life is friendship and I have received it,” stated Vice President Hubert Humphrey. We know this here at Sharing Meadows. We truly have been blessed with the gift of friendship over and over!

We thank God for our faithful friends. Many people have embraced the mission of Sharing Meadows and helped us to accomplish so much. In January we opened the fifth and final village, the Village of St. Mary & St. Joseph with the help of people who support our mission. The villagers welcomed their newest friends to their community. They know friendship is the greatest gift.

Recently information on how to join or renew the Friends Club was mailed to you. We would appreciate if you would look at the packet and consider staying or becoming a friend. If you did not receive this mailed invitation, call the office (219-778-2585). We'll be glad to send it to you. You can also go online at

<http://www.sharefoundation.org/getinvolved/friends-club.htm#2>

to join the club or renew your membership this year.

A benefit of joining this group is a chance each month to win one of three \$100 gift certificates to your favorite restaurant. Another benefit is to find yourself a hidden winner and claim a \$40.00 check to cover your cost of a Friends' Club membership. Of course, the biggest benefit is knowing you are supporting and keeping up-to-date with the many villagers & campers and their activities here at Sharing Meadows. Hidden winner: Walter Zuffa of Hammond, IN 46324
