FROM THE DESK OF FATHER BLANEY...

Board members Tom Murray and Jim Giannini joined Father Blaney in Florida for an impromptu “board meeting” at an Irish pub! Do you suppose they solved the problems of the world?

Easter is close by. Christ was his real self in the crucifixion. In spite of the pain, he thought of comforting the women. He forgave those taunting Him – even the criminals next to Him. And especially He forgave the jealous religious leaders who accomplished His crucifixion. Christ’s true self resurrected on Easter. We, as people of God, need to reflect at being our true selves. Do we wear a mask, afraid of being our true self? Afraid that we may not be liked? Do we let God’s creation of us come through? We might be clumsy or out spoken. We might not have lots of social graces. We might not be smart or be a leader. But God created all of us to be very loveable. The resurrection of Christ calls us to be true to ourselves just as was/is Christ. In reflecting on our life – we need to overcome the fear of what others think – fear prevents true love – true self.

May this Easter find you experiencing your true self – a real resurrection.

THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

Spring is eagerly awaited this year after the long, cold and snowy winter we've had. For the past couple of months we've had many mornings where we woke up to snow falling to add to the snow that was already covering the ground. The villagers became accustomed to waking up early to allow for shoveling time before work and they did a fine job of clearing the walks. Tom, our maintenance man, became positively proficient at plowing proving that practice does indeed, make perfect. Today I was talking with a few of the villages and they agreed that enough was enough and it's time for sunshine and warm weather.

Cabin fever got the best of us and we were tired of staying inside so we took a walk around Sharing Meadows and noticed piles of snow that have melted to mere traces and we even saw some spring flower shoots poking through the ground! Can spring be far behind? We went home with a lighter heart and livelier step, reveling in the hope we felt from witnessing the new life of spring!

It's good to have something to look forward to and while the promise of spring with colorful flowers, budding trees and baby animals is a joyful thought, even more exciting is the new life our villagers experience as they learn additional skills and grow to be the people God created them to be. It is exhilarating to witness their growth as they weave rugs, paint beautiful ceramic pieces, bake delicious pies and carefully sand and stain a wooden chest. They take pride in their work and they take pride in themselves, celebrating the many gifts God has given to them. The villagers are "works in progress" and we are privileged to observe their growth. At Sharing Meadows, the real hope of the new life of spring is in God's people who make this community such a special place. As we look forward to the joy of spring, we ask God to continue to bless us with His goodness.

CAMP SHARING MEADOWS

The March mini camp was a rousing celebration of St. Patrick's Day and everyone was Irish for the weekend! Thanks to our friends at T. J. Maloney's Traditional Irish Pub in Merrillville, we enjoyed authentic Irish wheat bread and were entertained by a bagpipe player and 2 Irish dancers. A great time was had by all of the participants for our special wearin' of the green mini camp.

This month camp will take place on April 13, 14 and 15 and we will celebrate spring with the theme of "We harvest new life by

What a great way to spend a hot summer afternoon - in the pool!

realizing the new life of Christ in

us." A spring dance will take place on Saturday, April 14 from 6:30 – 9:00. Admission is \$2.00 and all are welcome! The dates for the remaining spring mini camps are: **April 13-15 and May 18-20** before we gear up for our annual summer camp.

Response has been strong from our staff but there's still room for more. If you haven't volunteered at Camp Sharing Meadows before, this is a great time to begin! Call Sandy at 219-778-2585 and she will be happy to answer your questions and send you information so you can be part of this special experience.

Camp is a time for friends!

MOTHER'S DAY MEMORIALS

Next month in celebration of Mother's Day, we will print a special section of Mother's Day memorials and living memorials in the GOOD NEWS. You can thank your mother for all that she has done for you in a special way by making a donation in her honor or in her memory. Write a personal message (or we will write one for you) and we will include it in the Mother's Day section of the May newsletter. This is truly a special way to honor your mother with a gift that nurtures other abled people much like your mother nurtured you.

Memorials must be received in our office no later than Friday, April 13 for inclusion in the May issue. Thank you for choosing to honor your mother this way!
