## FROM THE DESK OF FATHER BLANEY..

Easter is coming up. Christians of all denominations celebrate this occasion. There are differences in how Easter is celebrated, but essentially it is because we are Christians. To be truly a Christian is more than believing or even imitating Christ. To be a Christian we need to do the things of Christ. Not in imitation, but letting Him do things through us. Christ is alive in this world not by mere imitation but because we are a part of Him.

Paul, in his letters, often speaks of us as a part of the Body of Christ. Christ spoke of Him being the vine and we (Christians) the branches – which means that His life flows through us. What a wonderful existence!!! His forgiveness, His wisdom, His understanding, His truthfulness, His love of God the Father and us – is flowing through Christians this very day. Maybe not all of these aspects in each of us. Some Christians may realize a greater amount. This is because they are more conscious of Christ's life in them. When a Christian is moved to help another who is in some need he can also realize Christ answering that need. The actions of that Christian are the actions of Christ. What a wonderful event that becomes! Christ is alive, doing good.

Christians, there are more wondrous events of Christ being alive and doing good in this world than we are aware of – even in our own lives.

My prayer for you this time of Easter is that you realize more and more the Christ life within you. Nothing can bring you more true peace. It is time to – as Thomas, one of the twelve – put away your doubts and realize the reality of Christ alive today in yourself.

## MOTHER'S DAY MEMORIALS

In celebration of Mother's Day next month, we will print a special section of Mother's Day memorials and living memorials in the GOOD NEWS. You can thank your mother for all that she has done for you in a special way by making a donation in her honor or in her memory. Write a personal message (or we will write one for you) and it will be printed in the Mother's Day section of the

May newsletter. This is truly a special way to honor your mother with a gift that nurtures other abled people much like your mother nurtured you.

Memorials must be received in our office no later than Wednesday, April 15th for inclusion in the May issue. Thank you for choosing to honor your mother this way!

# THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

We certainly had a cold, snowy and long winter at Sharing Meadows. The water in the ponds is much higher than usual, the grounds are soft and damp, and the potholes in the county roads are plentiful, making us all the more grateful for our nice paved roads at Sharing Meadows. All of these things, while rather annoying, are blessings in disguise because they will help us truly appreciate spring when it arrives. The days are starting to be warmer and longer so we can spend more time outside. We've joyously noticed some green shoots poking up through the ground and spotted a few geese that have come home to Tucker Lake and that gives us hope as we look forward to the new life of spring.

It's important to have something to look forward to and the arrival of spring at Sharing Meadows will be more than welcome not only for the pleasant weather, budding trees and beautiful flowers, but for the opportunity to spend time amid the splendid settings of nature God has blessed us with. Grass will need to be cut, trees will need to be planted, and the ground must be prepared for the vegetable garden – all tasks that we can complete surrounded by nature.

The villagers have been busy all winter weaving rugs, baking pies, making ceramic and wood items to be sold in

our gift shop and keeping the buildings and grounds clean and orderly. This winter we began a new project of cooking and each week a work crew made a pot of soup, spaghetti sauce or a casserole to be shared with each home. While they enjoyed their winter activities, lately I've noticed they've become somewhat restless as they, too, look forward to spring and the opportunity to get outside and enjoy the beauty of nature. They're ready for new experiences and they're like sponges, eager to soak up the wisdom of learning new skills. It is gratifying to see their growth and share their happiness when they accomplish each goal.

We have come such a long way since the day we purchased the farmland that was to become Sharing Meadows! We have observed God's work not only in the development of the land but especially as we watch the villagers grow in His love. We truly are witnesses to something special. The new life of spring that we look forward to each year enriches us as we enjoy not only the physical changes in nature, but the amazing changes in the people who call Sharing Meadows home. Come to Sharing Meadows and see our beautiful grounds and our beautiful people and experience it for yourself!

# GOLF OUTING – Florida Style

*The Tides Golf Course* in Seminole, Florida was the scene of the first golf tournament in Florida to raise funds for Share Foundation. The event took place on March 1, 2009. *The Tides* is one of the finest golf courses in Florida. The entry fee included golf and a delicious dinner and was very reasonable. The weather was perfect – the rain held off until the very next day. Karen Galinowski organized it and did most of the arranging. And that meant there were no hitches. She and her friends did a marvelous job! It will happen again next year. We'll print the date in the GOOD NEWS early so more snow birds can join in the fun.

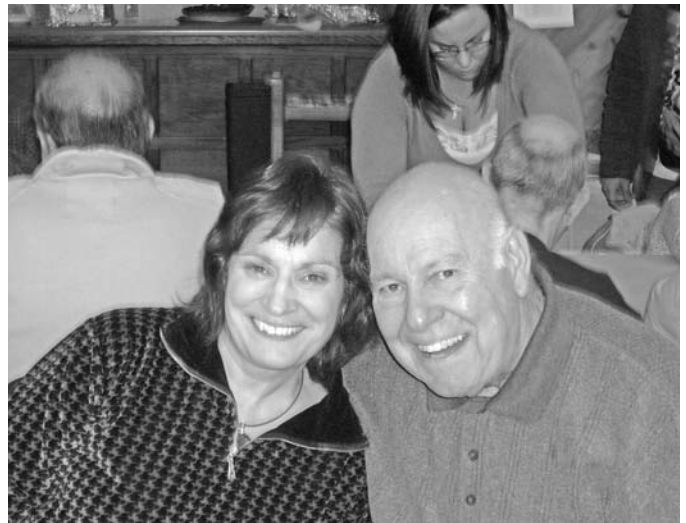

# SPAGHETTI DINNER

The room was full of smiling faces, the conversation flowed freely and the tantalizing aroma of spaghetti sauce wafted through the room at the Marquette Council Knights of Columbus Hall in Griffith for the annual Fat Tuesday spaghetti dinner to benefit Share Foundation. Chairperson Jim Fitt and his crew of Knights had been busy since breakfast making their meat sauce, cooking pasta, toasting garlic bread and tossing salad in preparation for the crowd who would come to taste their wares. Once the guests arrived, they enjoyed the tasty food while sharing fellowship with old and new friends. Villager mom Jean Pickett organized the dessert table and what a delicious array we had to choose from!

The Griffith Knights of Columbus have been devoted to our mission in chairing this event each year and many of our friends have attended it faithfully. Our heartfelt thanks go to the Knights of Columbus and especially to Jim Fitt for their dedication and hard work! Thanks to all the people who supported the dinner with your presence. God bless all of you!

*Chairperson Jim Fitt takes a break from cooking to greet guests at the spaghetti dinner*

*Board member Jim Giannini and his lovely daughter Donna Nicksic were among our many guests*

# SHARE CLASSIC GOLF OUTING

Our committee is planning a wonderful day on a lovely green, Briar Leaf Golf Course, in LaPorte. The Share Classic has always been a delightful day of friendly competition, food, and fellowship and this year will not be the exception. For more information or to register your foursome, call Kerry at the office (219-778-2585) or contact one of the following committee members.

- Tony McCrovitz, Chairperson.....Chesterton: 219-921-5492
- Brian Garver .....Schererville: 219-712-6590
- Tom Hathoot .....Valparaiso: 219-464-7009
- Tom McCormick .....Michigan City: 219-928-2953

*Villager Tim Homrich welcomed his sisters to the spaghetti dinner*

*The Sharing Meadows basketball team with coach Mike Clancy*

The villagers haven't been sitting idle all winter, they've been gathering together each week to play basketball. Mike and Sheila Clancy, faithful volunteers, have been working with them all winter teaching them how to dribble, pass and shoot the ball and how to work as a team. Their season culminated with a game against the special education team from Merrillville High School and what a game it was!

A large cheering block of parents and friends rooted for them as they took the ball up and down the court playing their hearts out. The game was exciting as the lead changed hands several times and at one time, the team from Sharing Meadows had a six point lead.

At the final buzzer, the score had Merrillville ahead by one point but as far as we were concerned, everyone was a winner.

The last game of the season was a matchup of the villagers against the stewards. The villagers had skill and youth on their side and easily won. Thank you to Mike and Sheila Clancy for their dedication to Sharing Meadows and their willingness to share their time and talents with us. Thanks also to Father Ted Nordquist and the good people at St. Joseph School in La Porte for allowing us to use their gym each week. It was a great activity for the villagers for the winter and we couldn't have done it without a gym.

**\$84.00 from Our Lady of Sorrows Council #12149 of Valparaiso, IN 46383**
