FROM THE DESK OF FATHER BLANEY...

One aspect of God that is primary is that He is a creator. And, when God, our Father, created us, he passed on to us His creativity.

This is spring time. There are little green tips bursting through the ground. And bare branches are starting to acquire multicolored buds. We are co-creators with God, our Father. Now more than anytime of the year we have a creative urge. Let's let those creative urges bring forth happiness and joy. Showing a bit of courtesy when driving your car is one way. Most women usually spend extra time preparing their hair each day. It is time to be creative in helping them to realize that their efforts are appreciated! Children need to be helped in realizing that what they do to better the world is important, even picking up scraps of paper. Every year we intend to plant some flowers but just don't have the time. This year be creative with your time and energy.

We have, each one of us, been given by God the ability to be creative. Spend five minutes every morning quietly letting creativity well up inside you. Start by asking God, the Creator to help.

MEMORIALS FOR MOTHERS

Next month we will celebrate our Mothers and offer thanks for all that they have done for us. In celebration of Mother's Day, we will have a special section devoted to the lady who has a special place in your heart. You can show your appreciation to your mother by writing a personal message or we will write one for you if you prefer and it will be printed in the Mother's Day section. There will be columns to honor our living mothers and columns to remember our deceased mothers. This is a unique way to honor your mother while helping the villagers of Sharing Meadows to enjoy fullness of life.

Send your memorial with your donation to our office and we will take care of the rest. Memorials must be received in our office no later than Monday, April 15 for inclusion in the May issue. Thank you for choosing to honor your mother this way! Hidden Winner: Debbie Mlynarcik of Crown Point, IN

JOIN THE FRIENDS CLUB

Have you received your packet of Friends' Club materials in the mail yet? If not, let us know (219.778.2585 or share@sharefoundation.org) and we will send you a membership packet for Father Blaney's Friends' Club. This wonderful group of people shows their commitment to our villagers and campers by joining the club and following our progress through the monthly newsletter. The cost remains at \$40 and as a bonus your membership entitles you to one of three monthly chances for a \$100 gift certificate to celebrate at any restaurant of your choosing! Plus, each month one Friends Club member who finds their name printed in the "Good News" as a hidden winner and once they call the office, they receive a \$40 check to pay for their annual membership. Join today and while you're at it, invite a friend to join with you! We would like for you to be our friend.

THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

Jim Giannini spending time with his daughter, Donna Nicksic

I have received many blessings through my association with Share Foundation and certainly one of the best has been all of the wonderful people I have been privileged to come to know. One of those people is Jim Giannini, a caring man with deep faith and a great sense of humor. He was a professional engineer but no matter how busy he was, he always had time for others. Jim was proud of his Italian heritage and even prouder of his family and he was a role model for others in the way he reached out to share his time and talents whenever they were needed. I was blessed to know him and Share Foundation was blessed to have him as a faithful supporter.

Share Foundation lost a Board member and valued friend when God called Jim Giannini home last month. He served on the Board since May of 2001 and his professional expertise was valued and appreciated. I remember a time when we were applying for permits for the 3rd village at Sharing Meadows and the application for the septic systems had to include a drawing showing the homes and the systems. I figured that I could do a simple sketch until I realized that the drawing had to be to scale and that was more than I could do. I went to Jim's office with the paperwork and he greeted me with his bright and beautiful smile, took a look at the requirements and told me he'd have it ready the next day. I went back to work, knowing that the job was in capable hands and the next day I'd be able to submit the completed application. That's the way it went with Jim; if he could help, he did and he did it eagerly and cheerfully. Just last summer when we were struggling with the application to the state of Indiana for a permit to drill a well for the 5th village, Jim heard of the dilemma and showed up in my office, offering to do whatever he could to speed up the process.

Rest in peace, dear Jim. You left some big shoes to fill and we will try to carry on your tradition of reaching out to others with a big smile and a helping hand and each time we do, you will be fondly remembered.

FLORIDA GOLF OUTING

Although unforeseen circumstances kept Father Blaney from participating in this year's Florida Golf Outing, the show went on! Organizer Karen Galinowski did an outstanding job of ensuring that our supporters enjoyed the day at the Tides Golf Club in Seminole, Florida. The weather cooperated, and fun was had by all!

The winning team was Richard Reeves, Lee Bulzewski, Joe Hogle and Terrance Wagner and these kind gentlemen donated their prize money back to Share Foundation – thank you! Second place honors went to Julius Okrzesik (94 years young and still playing a good game of golf!) along with Chris Crawford, Jack Steiple and Ray Zakradick. Third place was won by Bill Root (a Michigan City native who winters in Florida and has put together a team for all of our Florida golf outings) and his fellow golfers, Bruce Christick, Roger Graham, and Michael Starr.

Joyce Cooney, Sheila and Tony Debonis and Karen Galinowski enjoyed a great golf game under Florida's sunny skies

Kudos to Karen Galinowski and Roger Crutchfield for their efforts in organizing another fine outing. Thanks to the generosity of the participants and other supporters, over \$1,000 was raised for Share Foundation's mission! God bless all who helped!
