## FROM THE DESK OF FATHER BLANEY...

Everyone I've heard talk about the movie "The Passion of the Christ" eventually brings up the role of Mary. She was there through it all. Mary gave birth to Christ in His human nature. And that human nature had a divine person. Mary had turned over and over in her mind all that was accomplished in the life of Christ. By the time Christ was ready to start His "public life," Mary knew some of Christ's extraordinary powers. We see that in the wedding feast of Cana. And we understand Mary as a mother's influence on Christ. The movie dramatically shows Mary's feelings about the suffering of Christ. The flash back of a younger Mary seeing her young son, Christ, falling – and her running to ease His pain – made her feelings clear. Mary, by tradition, was there on the way Christ went to be crucified. She was there when Christ was hung on the cross. A deep simpatico between the mother and the Son. Christ was much reviled by the crowd. Was Mary reviled too? We don't know. How much did Mary's simpatico help Christ to reach the end? We don't know that either. But for all time since, motherhood has been held in high regard. And rightly so!

Mother's Day will soon be here. My mother is in the next life. I can't thank her in the here and now. If your mother is in the here and now, be sure to thank her! For those of us whose mothers are in the next life, be assured that she has simpatico.

The June issue of the Good News will feature a special section of Father's Day memorials. There will be a section of living memorials to celebrate or surprise your father this year. Another section will include deceased memorials to honor the memory of a special father in your life.

Not only will these memorials mean a great deal to you and your family, your donation will be greatly appreciated by the other-abled adults who participate in our residential and camp programs. In order to be printed in the June Good News, we must receive your Father's Day memorial no later than Friday, May 14<sup>th</sup>. We look forward to being a part of your Father's Day celebration.

# THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

I was talking with my daughter one day and I realized that the phrase I had just uttered was the very same one my mother said to me when I was about her age. It was so real; I could actually picture the scene of my mother and I standing together just like I was now standing with my own daughter. I smiled and realized how much I'd learned from my mother and how the values she instilled in me helped to make me the person I am today. She freely shared her wisdom with me as she prepared me for life. So many times I turned to her for advice and she was always there to guide and reassure me. So many times I had the right answer or knew what to do thanks to my mother. Since her death, there have been many times I've wanted to reach out to my mother but instead I've turned to a network of support from siblings, aunts, cousins and friends.

One of the many valuable lessons I learned from my mother was to seek help in solving my problems from others, not to always try to do it by myself. She taught me to reach out to other people who have experienced what I am going through and rely on the knowledge they have gained. God created us to be social people and never meant for us to be alone especially during our times of need.

Here at Sharing Meadows we are in the process of building a guesthouse where families with a young child with a disability can come to stay for a time and witness firsthand, the meaningful, productive lives our Villagers lead. They can observe as the Villagers go about their daily lives; maintaining the grounds, working in the woodshop, preparing meals at home or perhaps swimming in the pool. Talking with the Villagers will make our guests aware that they are truly happy because they feel safe and loved. They will share in the joy of our community as the Villagers love them unconditionally. Their visit here will give them hope for a bright future for their own child.

We plan to eventually have a program where several families can stay at the guesthouse and share their hopes, dreams and even disappointments. Most importantly, they will find strength in each other and realize that they are not alone.

As we celebrate Mother's Day this year, it is good to remember the valuable things we learned from our mothers. We need to recognize that all mothers (and fathers) need help and support as they assume the awesome responsibility of raising their children. The rich lessons taught to me by my own mother (and perhaps, taught to you by your mother as well,) will be shared with young families who are struggling with the same issues that have faced parents before and will face them again. My mother's wisdom is teaching me to reach out to others will go far beyond, through all of the people who will enjoy the guesthouse at Sharing Meadows. That's a fitting tribute to a life well lived!

## PLANNED GIVING CENTER

### **Bequests: Your Investment in the Future of Sharing Meadows**

For several months now we have been addressing the importance of making a bequest to Share Foundation. Let's recap: (1) bequests allow a donor to express their special support of our organization's mission; (2) bequests strengthen the organization's financial reserve; (3) bequests make it possible for you to preserve eternally the values you held so dear during your lifetime; (4) bequests can be made in honor or memory of a loved one or another individual; (5) bequests mean that the other-abled will always be able to live, laugh, and love in a peaceful, safe environment and never have to worry about the security of their home.

We have also discussed the different types of bequests. *Specific bequests* in a will can take the form of personal property, cash, or stock and usually designate a specific dollar amount or gift, but there are also *conditional bequests* which make the gift subject to a restriction that is specified, such as the survival of a spouse or other heir. *Percentage bequests* are another form of bequest that is generally favored because of the flexibility it offers. With a percentage bequest, a donor does not have to repeatedly change his/her will as their financial picture fluctuates. With percentage bequests, the donor simply specifies a percentage of the estate to be gifted to Share Foundation, and that way, other bequests to family members or other organizations are not affected regardless of the value of the estate.

Let's consider suggested language for various forms of bequests below.

#### **Outright bequests in a will**

##### Specific Dollar Amount

"I bequeath the sum of \$\_\_\_\_\_ to Share Foundation with the Handicapped, Inc., P.O. Box 400, Rolling Prairie, IN 46371-0400, to be used in the operation of Sharing Meadows as deemed appropriate."

##### Specific Property—Personal Property

"I bequeath [**description of personal property**] to Share Foundation with the Handicapped, Inc., P.O. Box 400, Rolling Prairie, IN 46371-0400, for the use of Sharing Meadows as deemed appropriate."

##### (c) Specific Property—Real Estate

"I bequeath all of my right, title and interest in and to the real estate located at [description of property] to Share Foundation with the Handicapped, Inc., P.O. Box 400, Rolling Prairie, IN 46371-0400, for the use of Sharing Meadows as deemed appropriate."

#### **Percentage bequest in a will**

"I devise and bequeath [**all/or \_\_\_\_\_%**] of the remainder of my estate to Share Foundation with the Handicapped, Inc., P.O. Box 400, Rolling Prairie, IN 46371-0400, for the use of Sharing Meadows as deemed appropriate."

#### **Conditional bequest in a will**

"If my husband/wife does not survive me, I bequeath the sum of \$\_\_\_\_\_ to Share Foundation with the Handicapped, Inc., for the use of Sharing Meadows as deemed appropriate."

Share Foundation appreciates your willingness to invest in the future of Sharing Meadows, but we also want you to do so wisely. Please consult your financial and/or legal advisor prior to making any changes to your estate.

## ST. PATRICK'S DAY DINNER

Despite the snowy day, many Irish eyes were smiling at the St. Patrick's Day dinner celebration that was held on March 21<sup>st</sup> in the St. Timothy Center camp building. Father Blaney celebrated mass in Joseph Hall to start the day. The crowd then moved to the dining room for a great Irish feast, prepared by Father Blaney. The meal included corned beef and cabbage, boiled potatoes, carrots, rye bread and ice cream for dessert. Following the meal, guests enjoyed entertainment provided by the Villagers of Sharing Meadows. An Irish Ceili, musical celebration, was led by Kevin Doolin, a great Irish musician. The crowd was even livelier as the best Irish joke contest got underway. Paul Beckman won first prize by making the guests roar with laughter. Overall, the St. Patrick's Day Dinner was a great day for family and friends to celebrate their Irish heritage and spend time with one another. Hidden winner: Jerry C. Owens, Merrillville, IN 46410

## SPRING LUNCHEON SUCCESS!

Thank you to all who attended the 13<sup>th</sup> Annual Spring Luncheon that was held on March 31<sup>st</sup> at the Halls of St. George in Schererville. The event was a great success for the Share Foundation! Over 650 people were in attendance for this lovely afternoon of good food and good friends. From a single glance at the wonderfully decorated hall with its balloons and flowers, one could tell this was going to be a unique spring celebration. After the guests found their tables, Father Blaney and Kathleen Kelly welcomed everyone to the Luncheon and spoke about the Share Foundation and its programs. The Villagers of Sharing Meadows also got some time to shine as they performed on stage, singing three songs to entertain the crowd. A wonderful meal of salad, rolls, chicken and vegetables was served followed by a perfect ending of vanilla ice cream and cookies baked by the Service League and friends. Many people went away lucky winners of door prizes thanks to the generous donations from individuals and businesses throughout the community.

This wonderful Luncheon would not have been possible without the hard work and dedication of the Share Foundation Service League. A big thank you to Shirley Ladendorf, the committee chairperson and to the rest of the committee – Reatha Camacho, Joyce Choncoff, Theresa Codespoti, Joan Collins, Margaret Daly, Theresa Dougherty, Pat Fischer, Anne Franz, Imon Franz, Loretta Lach, Fran Lysaught, Rose Ann Nagy, Peggy Paulson, Jean Pickett and Harriet Szafranski. The Spring Luncheon gets bigger and better each year due to the hard work of these women. The entire community of Sharing Meadows is grateful for their hard work and support!

Sisters Mary Smolen of East Chicago and Jean Chiki of Hammond have attended every Spring Luncheon!
