VOLUME 37 #7

FROM THE DESK OF FATHER BLANEY...

Our spring Luncheon was a tremendous success. About 880 people attended and they were wonderful people! Many came with their canes, walkers and even a few in wheelchairs. You could see that some felt pain as they walked. Yet they came! It was very humbling!! The oldest was 94 and he looked much younger. There were several who knew me from grade school at St. Patrick's in Indiana Harbor. That was 65 years ago. God bless them! Several parishes even kindly sent their staff to the spring Luncheon.

The hard working committee under the direction of chairperson Emogene Grant did a fantastic job. This was the 20th Spring Luncheon and the biggest by far. The Villagers entertained with a couple of dance routines under the capable direction of Kathleen Kelly assisted by Angela Logan. The words of the last song they danced to were:

You were my strength when I was weak
You were my voice when I couldn't speak
You were my eyes when I couldn't see
You saw the best there was in me
You lifted me up when I couldn't reach
You gave me faith 'cause you believed
I'm everything I am because you loved me!

These are the sentiments that are also the sentiments of Mother's Day. Maybe you would like to repeat those same words to your Mother – alive or dead. Those words bear repeating.

Happy Mother's Day to all Mothers!!!

THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

May is such a wonderful month! Spring is in full swing with beautiful flowers, trees in full splendor and warm weather and all of those things are gifts from God and certainly enjoyed. May also includes Mother's Day, a day to reflect on the goodness of our mothers and thank them for taking care of us by instilling values in us and loving us unconditionally.

Both of these special days are worthy of a celebration. As I remember my mother, my memories are delightful and I am grateful for all that she taught me. I think of her often and wish we could spend just one more day together. But Mother's Day isn't just for our mothers but to celebrate any woman who made a difference in our life – a grandmother, aunt, sister, neighbor or friend.

Can't you feel the love shared by Sister Verena and Gary

Webster's dictionary defines mother in part as "a person who nurtures in the manner of a mother." That definition makes me think of the stewards who lovingly nurture our Villagers and this month, I am especially reminded of the two African Benedictine Sisters, Sister Prudenciana and Sister Verena, who have served as stewards at Sharing Meadows for the last 3 1/2 years. I remember the day back in September 2007 when Father Blaney and I drove to O'Hare Airport to meet the Sisters after their long journey from their homeland of Tanzania. We spoke of the tremendous leap of faith the Sisters took in travelling half way around the world to serve God's people. When we met them, we were impressed with their genuine dedication to service, their gentleness and their compassion.

Dawn learns to weave under the watchful eye of Sister Prudenciana

After a period of adjusting to life in America, (the language, the food, and the culture were completely different from what they were accustomed to) Sister Prudenciana moved into House B where she lovingly nurtured Dawn and Lori while Sister Verena made her home in House E where she affectionately nurtured Becky and Laura. All of the Villagers benefited from their presence as the Sisters taught them about life in Africa and shared their experiences with them. The first winter came along with the first snow for the Sisters and they rose to the occasion, buying winter clothes and braving the frigid temperatures. They eagerly learned all aspects of being stewards at Sharing Meadows and did an outstanding job of teaching and supervising the Villagers during their vocational training. Sister Prudenciana did an especially good job in weaving and sewing, leading the Villagers in making beautiful rugs, placemats and towels. Sister Verena's artistic talent was welcomed in our ceramics studio as she taught the Villagers how to pour molds, clean greenware and apply paint and glaze. So much good has taken place at Sharing Meadows due to the presence of the Sisters!

The Sisters have been away from their country, their families and their fellow sisters in the Benedictine Community for over 3 years and the time has come for them to return home. We say good bye to them with a heavy heart, realizing that we will miss their sense of humor, their empathy for others and their dedication to Share Foundation's mission but most of all, we will miss them. Mother's Day is an appropriate time to thank Sister Prudenciana and Sister Verena for sharing their lives with us and for the nurturing they so devotedly provided to the Villagers, truly making a difference in their lives. May God bless them with His love and peace as we pray that some day they will return to Sharing Meadows!

Happy Mother's Day to all mothers!

FATHER'S DAY MEMORIALS

Next month we will celebrate Father's Day to honor and remember with gratitude all that our fathers have done for us. There are many opportunities to respond to advertising telling us to buy a gift for our fathers and while a new tie or some golf balls are nice, you might want to consider a more meaningful token of appreciation for the wisdom and love your father shared with you. You can make a donation to Share Foundation in your father's name and we will print a message in his honor or memory in a special Father's Day section in the June issue of the GOOD NEWS. We will have a section for fathers who are living and one to remember our deceased fathers. You can write a personal message or we will write one for you. Either way, it is a wonderful tribute to that wonderful man in your life.

In order for your Father's Day memorial to be included in the June issue, it must be in our office no later that Friday, May 13. Your gift for your father will help nurture the villagers of Sharing Meadows much like he nurtured you.
