VOLUME 30 #9

## FROM THE DESK OF FATHER BLANEY...

This year's Leprechaun Hunt© is going to be the best ever!!! August 1<sup>st</sup>, 2004! The big prize will be worth \$1,500! There will be a drawing at the end of the day - the winner will win a trip to Ireland for two people. And I've been tied up with lots & lots of details. Haven't even had time to think of hiding places for the Leprechauns. They will probably be "hid" right out in the open. We also have in an extra supply of divining rods to make it easier to find the Leprechauns.

We have people located around the areas so's you could get tickets easier.

Martin & Joan Collins - Munster - 219-972-2158

Russell & Karen Derderian - Schererville - 219-322-4957

The cost of this year's Leprechaun Hunt© is still the same - \$40 for adults in advance, \$35 for seniors over 65 in advance, \$45 for adults at the gate & \$40 for seniors at the gate. Money must be received in our office by Friday, July 30<sup>th</sup> to qualify for the advance sale price. Children accompanied by parent or grandparent - if the children are 17 or younger - are free.

We are pushing forward in all our programs and need the extra support. If you haven't come yet, this is definitely the year to come.

# THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

Yesterday I received a bill for repairing our tractor. While bills aren't fun, they are an inevitable part of life and just as necessary as maintaining the equipment and grounds at Sharing Meadows. When unexpected bills come in, we look for ways to save money and somehow, we manage to pay them. God certainly does provide for our needs by touching the hearts of our donors and so much is accomplished through their generosity!

So many people have supported us in so many ways. I remember one time when a woman from Whiting held a garage sale with all proceeds going to Share Foundation. Another group, from Lowell, recycle aluminum cans to raise money for our programs. Recently one of our donors came up with another unique way to support our work with other abled individuals.

When Susan Ladendorf and Roy Jenkins were planning their wedding, they wanted to honor their guests in a special way. They decided to make a donation to Share Foundation for each guest who was there to help them celebrate their joyous day and they gave each person an envelope with a sheet explaining their intention and a brochure explaining Share Foundation's mission. The newlyweds made their day truly special by sharing the joy and bounty of it with others. Susan is no stranger to Share's work and the concept of giving since her Mom is Shirley Ladendorf, chairperson of our Spring Luncheon and long time friend, advocate and supporter of Share Foundation. Shirley and her husband, Bob, must be proud to see their daughter and son in-law continue the family tradition of sharing.

There will always be bills to pay, both monthly ones and those that we don't expect. Sometimes, we need greater amounts of money to fund capital projects. We have always been blessed by generous donors who see that our needs, and, more importantly, the needs of other abled people, are met. We have just embarked on our second Capital Fund Drive to support the cost of expanding the residential program at Sharing Meadows and we trust that you will respond positively. We have a few volunteers working hard to secure pledges. Please listen to them and pledge your support for the future! God has always provided for our needs and we hope that you will allow Him to work through you for the future of Sharing Meadows and the other abled people who want to call it home!

## PLANNED GIVING CENTER

### Charitable Remainder Trusts—Part One: Just How Do They Work?

In last month's column we focused on questions you should consider when planning your estate, including how to choose an executor and the ins and outs of making a bequest. This month, as promised, we've put together a guide that you can clip out and take with you when discussing your estate plan with an attorney or financial adviser. Remember, there are many different types of estate planning documents such as general and medical powers-of-attorney, living wills, and general wills. A will is a written document that makes it possible for you to determine how your assets will be distributed in the event of your death.

The document that follows is not a will, but rather it is intended to help you begin making the decisions necessary to determine how your document will eventually read.

## 10<sup>th</sup> ANNUAL LEPRECHAUN HUNT©!

Make plans now to join us at the 10<sup>th</sup> Annual Leprechaun Hunt© that is being held on Sunday, August 1<sup>st</sup> at Sharing Meadows. Whether you have been to many Leprechaun Hunts© in the past or this will be your first hunt, this Leprechaun Hunt© is guaranteed to be fun for the entire family. To celebrate the 10<sup>th</sup> Anniversary, we are giving away more prizes than ever before. Find one of 27 leprechauns that have been hidden somewhere on our 185 acres and win a cash prize anywhere from \$25 up to \$1500 for the grand prize leprechaun. **Also, by dropping your ticket stub in the box at the gate on the day of the hunt, you are eligible to win a trip for 2 to Ireland!** These great prizes are reason enough to attend, but there is so much more!

Joe & Lauri Blaney enjoyed the day with their daughter Clare.

The gates open at 11:00 a.m. to get cars parked and hunters into position for the official start at noon. On Father Blaney's command, the hunt will begin along with other activities in and around the St. Timothy Center camp building.

Chef Philippe Joseph of Stones Bones in Munster will serve the traditional Leprechaun Hunt© buffet of all you care to eat barbequed ribs, roasted lamb, sausage, corned beef and cabbage, chicken, hamburgers, hotdogs, various salads and zucchini bread baked by our Villagers along with beer, wine and pop. For the kids there will be popcorn, snocones, a moon bounce and a variety of games to keep busy. There will be Irish entertainment that includes music, singing, dancing and more. The Villagers of Sharing Meadows will have their handmade crafts for sale. The pond will be open for fisherman to test their skills and catch the tagged fish. A live auction will be held in the afternoon as well. There are so many activities to keep visitors busy, but most importantly the Leprechaun Hunt© is a wonderful opportunity to spend a day with family and friends!

You can enjoy this celebration for the cost of \$40 per person in advance (\$45 at the gate) and \$35 for seniors 65 and older (\$40 at the gate). Money must be received in the Share Foundation office no later than Friday, July 30<sup>th</sup> to get the advanced ticket price. As always, children 17 and under are free when accompanied by a parent or grandparent. You can reserve your tickets today by calling the Share Foundation office at 219-778-2585.

We are looking forward to celebrating the 10<sup>th</sup> Annual Leprechaun Hunt© with you and your family!

These 3 ladies enjoyed the Leprechaun Hunt from a table on the porch of the St. Timothy Center.

The Leprechaun Hunt is fun for the entire family!

St. James Gate entertained the crowd with their festive Irish Tunes.

Rich and Lisa Miller were ready to start their day at the Leprechaun Hunt with children Matthew and Megan.

The rain didn't stop this group from having fun dancing under one of the tents!
