## FROM THE DESK OF FATHER BLANEY...

Our 12<sup>th</sup> Leprechaun Hunt© is over!! Lots of family fun!! The number of volunteers was very great. There were so many helpful people! Al Tucker and his crew again cooked the corned beef plus lots of other cooking. Dick Chirby had a big hand in things. Chuck Forcey and his crew took care of the corn and the corn roaster. Rick Fleming stayed all the way through to the end doing all of the necessary chores in the kitchen. There were an incredible number of volunteers working their hearts out.

At this writing I'm not able to address how many leprechauns were found or who won the trip to Ireland. That will be listed in the next issue of the GOOD NEWS. Many thanks to all who made this 12<sup>th</sup> Leprechaun Hunt© work and being lots of fun to this family day.

On the side, Msgr. Jack Witte has died. He will be permanently remembered at Sharing Meadows. He furnished 6 truck loads of wood working equipment to Sharing Meadows. Kathleen Kelly asked me what we were going to do with all of that equipment. That's Kathleen of O Little Faith. Within a month, a fellow applied for a job here who had been a woodshop teacher and even had taught other abled students. Our woodshop program has taken off well. But it came from the very generous heart of Msgr. Witte. His name is on our woodshop and he will be remembered as long as there is a Sharing Meadows. God bless and welcome him!

## SHARING MEADOWS PRODUCT OF THE MONTH

August's product of the month is a wine rack, a handcrafted item, made by our very own villagers. This wine rack is sure to impress even the most avid of wine connoisseurs with its natural beauty and function.

This wine rack is offered in unassembled kit form. This wine rack is quite sturdy, even though no mechanical fasteners are used in its construction. Each three - tiered wine rack can accommodate a case (12 bottles) of your favorite wine. The rack has been designed to hold bottles at an angle to keep corks from drying out. Racks can be stacked, but for safety reasons, should not be stacked more than two racks high (24 bottles). Additional single tiers are available for \$7.50. All racks are beautiful just as they are (Natural Finish), or we can finish them with your favorite stain and topcoat.

Each wine rack is \$20 and all proceeds from the sale of items go directly into the vocational training program to benefit our villagers. Come to the St. Timothy Center from 8 a.m. – 4 p.m. Monday through Friday to view a wine rack up close or call the office at 219-778-2585 and we'll send one to you. A wine rack would make a wonderful addition to any kitchen or wine cellar. The villagers take pride in making a quality product and they thank you for supporting their efforts.

## THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

Where has the time gone? I look at the calendar and can hardly believe we've passed the mid point of summer with our annual summer camp a fond memory for all the participants. They took delight in dancing, arts and crafts, swimming, games, fishing and many other activities. They prayed together each day to thank God for the many gifts they have received. The pool was a popular spot for cooling off and sharpening their swimming skills when volunteers Mike and Sheila Clancy came to camp each week to lead them in swimming. They enjoyed the entertainment and especially enjoyed each other. Meaningful discussions took place during the daily values session centered around the theme of "Affirming Others."

Affirmation was not only discussed, it was practiced! The dictionary defines the word affirm as to state or assert positively; maintain as true. One of the campers described it in a simple yet beautiful way when he stated, "You raise me up." Wow! He intuitively knew that he was appreciated, valued and loved. The campers and staff truly saw the good in each other and affirmed that goodness through their words and actions. Their creativity came to the surface when they drew self portraits and each one proudly took the portrait home as a reminder of their unique goodness, recognized by themselves and others. Each camper experienced the joy of being affirmed and affirming others and that joy will stay with them long after summer is over.

We've always been proud of the values aspect of our camp that sets it head and shoulders above the rest. Each person is valued for who they are and the affirmation they feel is shared with everyone they come in contact with. The campers go home with a renewed sense of who they are and how they can use their own gifts to make the world a better place. It's an enriching way to spend time each summer and I am happy to be part of it. Camp is a good program that gets better each year and we look forward to many more years of growing together in God's love. Hidden Winner: Paula Preston, Littleton, CO 80120

### YOUR WILL CAN HELP THE SHARE FOUNDATION

You can use your will to support Share Foundation's mission and ensure the future of the residential program at Sharing Meadows. All funds received through bequests will be placed in our endowment fund and since only the interest will be used, not the principle, your gift will last forever! Please consider remembering Share Foundation in your will and know that the support you gave in your lifetime will continue into perpetuity.

Consult your lawyer to make a will or to add a codicil or amendment to an existing will. The suggested wording is:

*I hereby give, devise and bequeath to Share Foundation With the Handicapped, Inc., the sum of \_\_\_\_\_ -  
\_\_\_\_\_ dollars to be expended for the activities and purposes of the said not for profit organization.*

You may designate a certain percentage of your estate or a specific dollar amount.

## COLLECT MEGA MILLIONAIRE TO HELP SHARE

You can help Share Foundation just by reading your newspaper! "The Times" of northwest Indiana is sponsoring a Mega Millionaire contest from now until September 30<sup>th</sup>, 2006. Read the newspaper each day, clip the mega cash coupons, and save them for Share Foundation.

Look at the top of the newspaper; you will see there the amount you have to find in the paper. It may be in many sections and also could be in the TV Guide. If you so choose, you may order from 100 to 1000 copies of the paper when the mega cash is over \$100,000.

If everyone works together, we can collect hundreds of millions of dollars of mega cash. This cash can then be used to purchase an elegant gift that we can use for a future fundraiser! Last year a local charity was able to purchase a car at the auction and raised much needed funds by auctioning it off at a special event. With your help, we know we can do the same!

Please help us in this project! Read "The Times", clip the mega cash coupons, and mail them to Share Foundation, PO Box 400, Rolling Prairie, IN 46371.

## SHARE CLASSIC 2006

The 14<sup>th</sup> Annual Share Classic Golf Outing on June 26<sup>th</sup> at Briar Leaf Golf Club was a huge success! With chance of rain showers all day, the weather was on our side and remained nice until all the golfers were inside enjoying a nice dinner.

The first place Trophy this year went to the Ace Sponsor team from Indiana Institute of Cardiology who shot a 59. Kay Baumgartner, Kathy Nova, Christine Edwards, and Rita Hagenow went home with the second place prize with a score of 62. Rounding out the top three was Birdie Sponsor Duneland Fine Homes with a 64.

Along with best overall scores, players were awarded prizes for best personal performances on the golf course. Brandee Flagg and Eric Peschke won the longest drive contests, Sharon Sporman and Jack VanderGiessen won the straightest drive contests, and Kathy Nova and Kevin Crozier won the longest putt. Three holes also included a contest of closest to the pin and the winners of those were John Albright, Christine Edwards, Gayle O'Connor, D. Soria, and Jack VanderGiessen. Four golfers even beat the Golf Pro at Briar Leaf, Jay Williams to win a prize! Congratulations to all of the winners!
