FROM THE DESK OF FATHER BLANEY..

Harvest time is here! There are so many red raspberries we need help to harvest them. Students from La Lumiere High School came over to assist our villagers, and we are harvesting apples from William's fruit orchard. The red raspberry applesauce production is in full swing. We will probably can about 600 quarts. Then there are the apple pies - some baked with a generous helping of black walnuts - very tasty! This is a joy filled time - lots of work, but rich rewards. The black walnuts will be harvested mostly next month. One year we harvested, cracked, and picked out the meat - 3500 gallons of black walnuts. This year the trees seem full again.

Some where in the Bible, God speaks to us of the generous planting producing a generous harvest. That is true out here. Our villagers are given lots of help to become the great person God intended for them to be. And this applies also to our camp program. Our camp director Sandy Furman and her camp staff each month have helped our campers to know the goodness of themselves.

Our goal at Sharing Meadows is to enable the other abled to truly be the beautiful person- affirming and loving - that God created them to be. Sometimes there is a bit of selfishness. Sometimes laziness, etc. We all suffer those things. But there is basically an affirming and loving nature that rubs off on all our staff and visitors.

Thanks be to God for the rich harvests.

SHARING MEADOWS PRODUCT OF THE MONTH

Divining rod/walking sticks are the featured product of the month for October. Crafted from wood from the trees on the Sharing Meadows property, this unique item has many uses.

Father Blaney calls them divining rods, and assures leprechaun hunters that this tool will take them to a pot of gold at our annual Leprechaun Hunt©. They also make great hiking sticks or rustic decorations for a family room or den.

Each walking stick costs \$15 and all proceeds from their sale goes directly into the vocational training program to benefit our villagers. Come to the St. Timothy Center from 8 a.m. - 4 p.m. Monday through Friday to look at the selection of walking sticks we have on hand and select the one that's right for you. If you need directions to Sharing Meadows, call the office at 219-778-2585. Due to the size of the walking sticks, we are unable to send them via postal service. So please come visit our gift shop and browse through the assortment of items we have to offer. The villagers take pride in making a quality product and they thank you for supporting their efforts. THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

Fall is a time of bountiful harvests and we are certainly reaping the benefit here at Sharing Meadows. The villagers and stewards have worked hard planting, weeding, and watering the garden and for months we have enjoyed fresh vegetables. Cereal seems to taste better with a handful of fresh blueberries on top and our bushes have provided plenty for all of us to enjoy each morning. We've embraced country life here at Sharing Meadows and have decided that fruits and vegetables taste better when they've just been picked. Life is good and at Sharing Meadows, it keeps getting better and better!

Father Blaney welcomes Phil Grenchik to Sharing Meadows

This year, we've had an additional bounty thanks to the good people at American Trust Savings Bank in Whiting. Phil Grenchik, Sr. called one day in August to tell us they had successfully bid on a hog at the La Porte County Fair and they wanted to donate the meat to Share Foundation. The hog was at a butcher being processed into meat and Phil kindly offered to deliver the meat to Sharing Meadows for the resident's enjoyment. A few weeks later, he arrived with the meat individually wrapped and we were amazed at the bounty! Hams, pork roasts, ribs, bacon, sausage, bratwurst and pork chops were plentiful! We distributed it to the nine homes at Sharing Meadows and knew that our villagers and stewards would be eating "High off the Hog" for a while!

Since then, they've gathered together many times for cookouts in the gazebos where they've dined on barbecued ribs, pork chops and bratwurst. I've heard that breakfast is better than ever in the villages these days when bacon or sausage is served in addition to the scrambled eggs. The main dish at our community meal a few weeks ago was baked ham and it was tender, juicy and delicious! What a treat both that day and the next when ham sandwiches were on the menu for lunch and a pot of ham and bean soup was simmering on the stove!

Eating High off the Hog at Community Meal

The people at American Trust believe in giving back to the community and they have certainly come up with a winning way to give back twice. They are supporting the youth 4-H program by purchasing the hog at the county fair while they are supporting Share Foundation by feeding the residents of Sharing Meadows. We are grateful to Phil Grenchik, Sr. and Jr. and the other benevolent people at American Trust for enabling the inhabitants of Sharing Meadows to eat "High off the Hog" literally and figuratively! God bless them for their generosity and thoughtfulness!

CAMP SHARING MEADOWS

The fall season of mini camps is off to a great start! September's camp was filled to capacity and the weekend was filled with laughter, activities, friendship, music, love and joy. It was good welcoming back old friends and getting to meet new friends as we gathered together at the St. Timothy Center. The smiles began on Friday night and continued through the closing ceremony on Sunday afternoon. September's theme was "Using your talents in the workplace" and we discussed how we can use the gifts God has given each of us to bring about peace and goodness at our jobs. The dance on Saturday night was host to a record crowd when over 120 other abled individuals from northwest Indiana came to trip the light fantastic! Our own d.j., Mark Williamson, kept the tunes coming and the dancers kept the dance floor full the entire evening.

We are delighted to announce that to accommodate the growing demand for our camp, we have added a second weekend mini camp in October! The camps this month will take place on October 13 - 15 and October 20- 22. We will repeat the same program to a different group of campers for the two weekends. The theme this month is "Using Your Talents in the Neighborhood" so we will be discussing how we can make a difference in our neighborhoods. We will also be celebrating "Halloween" and as we all know... Halloween brings out all of the ghosts and goblins! On Saturday night during each mini camp, October 14 and October 21, we will host a Halloween dance so all of our guests will be able to dress in their favorite costume and get together for a dance and celebration! The St. Timothy Center Camp Building will also be decorated for the occasion, pumpkins and all. If you didn't receive an invitation and want to be a part of our fall mini-camps, please call Sandy Furman at 219-778-2585 and she will be happy to send you one and answer any questions you may have.

We have had great success finding volunteers, but please don't hesitate to offer assistance to our growing camp. No experience required, just people who have hearts big enough to absorb such a rewarding experience. Give Sandy a call and she will give you more information on this incredible experience. Come and be part of it and you'll be glad you did!

MEGA CASH

The Mega Bucks Contest in the Times newspaper has come to an end and we are overwhelmed by the response from our friends to our request for help. Day after day envelopes and packages arrived in the mail with mega bucks neatly clipped and bundled and once we reached our first billion, we knew we had a winning project! **Thank you** to the hundreds of people who faithfully searched the paper each day for the bucks, cut them out, and sent them to us. Each one of you made a difference and we are grateful to you for your efforts. Special thanks to Shirley Ladendorf, chairperson of the Lake & Porter County Service League, and her hard working committee for serving as drop off sites for the bucks and organizing the project. Counting millions of mega bucks is hard work and these gracious ladies did it without a complaint! Ladies, your dedication is admirable and appreciated!

Next month we will announce the final outcome of the contest and let you know what we were able to purchase with the Mega Bucks we collected with your help. Thank you, Friends, for answering our call once again and being there when we needed you!!

SHARE OUR DREAMS

Soft candlelight, artistically designed floral centerpieces, fine wine, delicious food, lively conversation and friends and family to share it. Sounds like a heavenly evening? You can be part of it by attending Share Foundation's 12th annual Dinner Dance Gala and Silent Auction. The Center for Visual and Performing Arts in Munster will come alive on Friday, November 3 as we gather for this elegant event to benefit the community of Sharing Meadows. We invite you to Share Our Dreams of a joyful life for other abled individuals and help to make those dreams come true as we continue to develop the community of Sharing Meadows.

Ticket prices remain at \$100 which entitles you to enjoy all of the festivities. The Tom Milo Band will entertain you with music for easy listening and dancing. You will also enjoy cocktails, a delectable dinner, a special dessert prepared by the chef from Giovanni's, and the chance to bid on some magnificent items in our silent and live auction. You can look forward to a vast assortment of items including holiday decorations, sports tickets and memorabilia, certificates to restaurants throughout northwest Indiana, household goods, salon services and vacation packages. We will even offer a few things made by the villagers of Sharing Meadows in the woodshop.

You can participate in many ways. Sponsoring a corporate table by inviting your business colleagues to the Gala is a great way to say thank you for a successful year. Or you can host your family and friends for a pre-holiday gathering to enjoy each others company before everyone gets busy with shopping and preparing for Christmas. You can even get a head start on your own Christmas shopping by successfully bidding on one of the unique items in our auction and avoid the crowds at the mall. We are also seeking unique items for the auction so if you have something you wish to donate, please call Robyn at the Share Foundation office at 219-778-2585 and she will make arrangements to get it to the Gala. No matter how you participate in this annual fundraiser, your support will help fund the programs at Sharing Meadows and directly benefit our other abled friends.

Mark your calendars for Friday, November 3 and plan to join Father Blaney for another great event. For more information about the Gala, or to request an invitation for yourself or others, please call Robyn at Share Foundation at 219-778-2585. We look forward to having you join us for a memorable evening of sharing our dreams and supporting a very worthwhile cause.

Bill Killilea does a fine job as our auctioneer

Father Blaney and his lovely niece Bridget enjoyed last year's Gala

Our guests have many items to bid on in the Silent Auction

YOUR WILL CAN HELP THE SHARE FOUNDATION

You can use your will to support Share Foundation's mission and ensure the future of the residential program at Sharing Meadows. All funds received through bequests will be placed in our endowment fund and since only the interest will be used, not the principle, your gift will last forever! Please consider remembering Share Foundation in your will and know that the support you gave in your lifetime will continue into perpetuity.

Consult your lawyer to make a will or to add a codicil or amendment to an existing will. The suggested wording is:

I hereby give, devise and bequeath to Share Foundation With the Handicapped, Inc., the sum of _____ dollars to be expended for the activities and purposes of the said not for profit organization.

You may designate a certain percentage of your estate or a specific dollar amount.
