## FROM THE DESK OF FATHER BLANEY...

We now have our fourth village of three more homes in place. We have always trusted in God. And He has provided us with a great staff for the new village. That is why we built it early. Chris Blake and Chris Surma, our excavators and septic specialists, have done a heroic job along with Ekovich Concrete, our cement contractors in seeing that the new village was completed. God bless them abundantly!

Now we will have additional costs. The new homes will have added expenses for staff, food, utilities, gas for the new van etc. This will amount to \$12,000 extra per month. We are trusting in God through you. Hopefully, 500 people like you will feel the urging in their hearts to donate \$25.00 per month or increase their donations by \$25.00. **You** can make a difference!

We are providing a home, not a stable, for people who the Providence of God has limited their working skills. But, I can assure you that God has given them other abilities to love and to pray. You will be remembered in their prayers.

I hope and pray that your Christmas is full of joy. And I hope that you have the realization in seeing the historical Christmas crib that this Christmas – there's a home not a crib for God's chosen ones. God bless you!

## FEAST OF THE HOLY INNOCENTS

Our 16<sup>th</sup> annual celebration of the Feast of the Holy Innocents will take place on Friday, December 28 at 6:00 p.m. in the St. Timothy Center at Sharing Meadows. Father Blaney will celebrate Mass in remembrance of the many people who are memorialized on the Trees of Life in the St. Timothy Center. Mass will be followed by a potluck dinner and Christmas caroling. Please bring a vegetable, salad or desert to share and we will provide the main dish and beverages.

The Feast of Holy Innocents is observed each year in memory of the children who died under King Herod's orders in place of the newborn Christ Child. We will celebrate at Sharing Meadows by recognizing the self sacrifice of innocent people and realizing that their gifts of self have meant a great deal to us and the world.

All are welcome to join us at this time of remembering and sharing! Come with your family, bring a dish to share and join us for this special celebration on December 28.

## YEAR END GIVING

Please consider a gift to Share Foundation this month to take advantage of the tax deduction for your charitable contributions in 2007. Share Foundation is a tax exempt, 501(c)(3) organization and all donations are tax deductible. Take a moment to see if a charitable gift would be advantageous to you and your tax liability. If you are over 70, the IRS is allowing you to make a charitable gift from your IRA without paying taxes on the amount taken out so this might be a good time to consider contributing in this manner. Any contribution you would care to make would certainly be appreciated by the Share Foundation and the other abled people we serve in our programs.

## THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

A friend told me once that we only need three things in life: someone to love, something to do and something to look forward to. I have been blessed with a wonderful family and great friends so that takes care of someone to love, the complexity of my job certainly gives me something to do and life is good and full of surprises so I definitely have something to look forward to. It's a simple way of looking at life but some times it helps to simplify the busyness of our lives and take a break from the hectic pace to realize that we truly are blessed in so many ways.

Christmas is one of those busy times of year and we tend to get so caught up in preparations that we don't always take time to appreciate what really matters. This year, times are even more eventful than usual at Sharing Meadows as we put the finishing touches on the 4<sup>th</sup> village to ready it for occupancy. We have been watching each step of the process from excavation of the site to pouring the foundations, culminating in the joy of watching the trucks come in carrying the houses and seeing them put in place. Excitement is in the air as we anticipate welcoming new villagers and stewards to our community.

The current villagers realize what a good place Sharing Meadows is and they are eager to share it with others. Recently one of them was asked what he liked best about Sharing Meadows and he answered, "it's a loving place." The feeling of love he experiences here fills him with joy and he looks forward to letting others in on that joy. What a wonderful way to celebrate the joy of Christmas!

When I was vacationing in Ireland a few years ago, I attended Mass in a small town in County Kerry. The people were friendly and welcoming and the best part was the homily given by the pastor in his delightful Irish brogue. He spoke of the importance of JOY in our lives in order to find true happiness. He went on to say that to experience JOY, we must put Jesus in our lives first, others second and you last. His message has inspired me many times since that day. When I think of the joy that abounds at Sharing Meadows, I realize it exists because we do put Jesus first, others second and ourselves last. The Christian community of Sharing Meadows is a loving place and we joyfully look forward to watching it grow. May your Christmas season be filled with JOY!

### BUY YOUR OWN LEPRECHAUN

Have you spent a great deal of time over the years searching for your very own elusive gnome with a pot of gold at the end of the rainbow? Well here is your chance to own your own leprechaun! Share Foundation has again this year, received a limited supply of leprechauns directly from Ireland that could be yours with a donation of \$100. The leprechaun is perched on his pot of gold to protect his wealth from any human clever enough to try and steal it.

The adorable little statue would be perfect either inside your home, or outside in the garden since it is weather resistant. He also makes a wonderful and functional decoration in any office. These rascally leprechauns won't stick around forever, so call Share Foundation at 219-778-2585 today to reserve your own and we'll send it on to your home or office today!

### REAL MEANING OF CHRISTMAS

By Brian K. Walters

In today's day and time,  
It's easy to lose sight,  
Of the true meaning of Christmas  
And one special night.

When we go shopping,  
We say "How much will it cost?"  
Then the true meaning of Christmas,  
Somehow becomes lost.

Amidst the tinsel, glitter  
And ribbons of gold,  
We forget about the child,  
Born on a night so cold.

The children look for Santa  
In his big, red sleigh  
Never thinking of the baby  
Whose bed was made of hay.

In reality when we look into the night sky,  
We don't see a sleigh  
But a star, burning bright and high.

A faithful reminder,  
Of that night so long ago,  
And of the child we call Jesus,  
Whose love, the world would know.

## SHARE OUR DREAMS GALA . . . AN ELEGANT SUCCESS

Upon arrival you walk in to the sounds of beautiful piano music. On every table you see elegant red roses and angels lifting up candle light. A luscious dinner and sumptuous dessert await every guest. There is wine on every table and cocktails throughout the night. You are surrounded by fantastic items up for bid and, as you get caught up in the enthusiasm of the crowd, Tom Milo strikes up the big band and you dance the night away. This was no dream, it was the Share Our Dream Gala and Auction that was held November 2 at the Center for Visual and Performing Arts in Munster.

Father Blaney enjoyed Milford Christenson's company at a Gala meeting

The evening was a spectacular hit as each guest left with a beautiful white rose and a good feeling knowing that they helped a great cause to further the mission of Share Foundation's residential program. Thanks go out to Marty Collins who served as a wonderful Master of Ceremonies and Speros Batistatos, who delighted everyone with his charming personality as our guest auctioneer. Thanks also to our Gala Committee, Chuck and Marcia Forcey - honorary chairpersons, Mary Ann Chevigny, Milford Christenson, Joyce Choncoff, Joan Collins, Judy Gresko whose talented fingers created baskets for the silent auction that were truly works of art, Trish Hayduk, Nancy LoDuca, Fran Merrion, Pat Ricciardi, Carol Ann Surufka and Janet Watson.

Special thanks also to our table sponsors, Chuck and Marcia Forcey - Platinum, The Ryan Family, in memory of James W. Ryan - Gold, Christenson Chevrolet and Globe Star, LLC - Silver, Community Foundation of Northwest Indiana and Merrion & Associates - Sponsor. We also wish to thank and acknowledge our Underwriting sponsors whose efforts and generosity help defray the cost of the Gala and enhanced the evening for everyone. They include Giovanni's Restaurant who provided delicious wine and tiramisu for every table, Grimmer Construction who underwrote the cost of the program and auction catalog printing, Merrillville Florist and Tea Room, who designed and provided stunning red rose centerpieces that graced every table, Union Florist, who presented each guest with a beautiful white rose, and Spitz and Miller Insurance, who underwrote the cost of postage for the event.

Joan Collins and Carol Ann Surufka worked on many details to ensure the Gala's success

We also had several generous donors who helped defray the cost of the Gala by making a cash donation. These generous businesses and individuals

Two Blaneys - Father and his cousin, Ken, were among our many guests

include at Dreams Come True level - Chuck & Marcia Forcey. Dreamer level - Dr. & Mrs. Mitchel Byrne, Citizens Savings Foundation, Mr. & Mrs. Gary Masse and People's Bank. Visionary level - Mr. & Mrs. Donald Brown, Cyrus and Associates, Mr. & Mrs. Russ Denzine, First Midwest Bank, Mr. & Mrs. William Franz, Mr. & Mrs. Marion Fulte, Mrs. Dorothy Guba, Mr. & Mrs. Gregory Hagan, Dr. & Mrs. Charles Helms, Mr. & Mrs. Rich Lasky, Mr. & Mrs. Joseph McShane, Mr. & Mrs. Thomas R. Thanks to all of these wonderful and generous people for supporting the mission of Share Foundation and the Villagers of Sharing Meadows. For those of you that missed out this year, mark your calendars **now** for our next Gala, Friday, November 7, 2008 and we look forward to seeing you there. ## SWEET TREATS FOR CHRISTMAS

Back by popular demand is their delicious red raspberry jelly for a donation of \$3. ## THE WELCOME MAT IS OUT AT SHARING MEADOWS

As we watch construction on the new village at Sharing Meadows progressing, we think about not only the beautiful, comfortable, homes but about the extraordinary people who will live there. Two of the homes will be for females and one for males and while we are going through our waiting list, we are still accepting applications for residency. We are searching for the right individuals to join our Christian community and call Sharing Meadows home. We look for other abled people who will flourish in a community setting while adding to the uniqueness Sharing Meadows by sharing their own distinctive gifts.

We have a limited number of openings and once they are filled, we won't be building again for several years. If you have an other abled family member, now is the time to consider Sharing Meadows. Call our residential coordinator, Bob Hess, at 219-778-2585 and he will answer your questions and send you an informational packet. At Sharing Meadows, we foster independence while always providing the level of supervision that is needed. We have witnessed so much growth in our villagers and we realize they are full of potential and the best is yet to come. The villagers are happy living in community with an active social life and friends to share and make memories with.

Perhaps you know of someone who would thrive in our community. If you do, give them an opportunity to be nurtured to grow to become the person God created them to be. This opportunity doesn't come along very often so don't put it off any longer. We want to consider all candidates to find the right ones to call the loving, Christian community of Sharing Meadows their home.
